

AN nocr JOB CARD

As of the 31st of July 2023 CPCS become a “Recognised Organisation” and are now approved for the delivery of **CITB Plant Training Standards**, as such there are eight categories that CITB have implemented across plant card schemes.

CPCS now three routes of entry to ensure employers have the flexibility to choose what is required based on the individual.

1. **Direct to Test** = Employer decides training requirements and the learner achieves a CPCS Theory & Practical Test
2. **Experienced Route** = Table below outlines the requirements per person at the end of training learners must achieve the CPCS Theory & practical Tests
3. **Novice Route** = Table below outlines the requirements per person at the end of training learners must achieve the CPCS Theory & practical Tests
